

Strategies for real-world impact

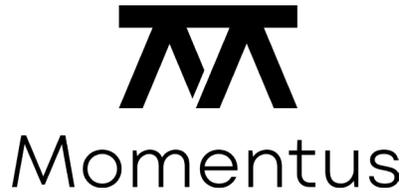

**Resourcing the
global development
agenda now and
for generations
to come**

Hello@momentus.global

Momentum is women-owned and led since 2000. We support clients around the globe to conceive, design, and strengthen their institution's performance and contribution to the achievement of development goals.

We help deliver real world impact for all our clients

We are leaders in creating impact for financial institutions, governments, agencies, and funds.

Our global team of experts specialize in:

- Export, Trade and Investment Finance
- Strengthening Public Development Banks
- Sustainable and Climate Finance
- Impact and Blended Finance

300+ **Projects**

110+ **Clients**

77+ **Countries**
